Video Editor

In my first remote internship, I began creating engaging videos by collaborating with the marketing team and working closely with others.

EDUCATION

Addis Ababa
University
2021 - 2026

School of Mechanical and Industrial Engineering

I am studying Mechanical Engineering, driven by my passion for contributing to Ethiopia's future development through innovative designs using SolidWorks, AutoCAD, and CATIA.

Self learner
2022 - present

Video Editing, Graphics Designing, Social Media Management

I started learning video editing, graphic design, and social media management in my free time while at university, and over the past few years, I have developed my skills by researching and studying the work of others.
